JUNE 2014

PINERIDGE WELCOMES STAFF ADDITIONS

Please join us in welcoming our new staff additions!

Sharon Kuykendall will be our Head Cook for

2014, and Nolan Plett is our Camp Director.

Additional volunteers still needed for kitchen/dining-hall helpers,

cabin counselors, and activity staff. No experience required! The only ability you need is availability.

PROPERTY DEVELOPMENT UPDATE

The property development at camp is nearing completion!

God has blessed in amazing ways. Last year saw the addition of grid-power and the

installation of a new ropes course!

Our primary remaining projects include an upgraded septic system, a chapel, and an amphitheater.

We currently have \$8,500+ towards the chapel and \$12k towards the septic. We're still hoping to raise a total of \$35k more (to fully fund all the projects).
