

RECONCILIATION

Whoa! That's a big word!! This BIG word means: **restoring relationship.**

Have you ever had a fight with a friend or said words that were not kind? These kinds of actions can cause friends to be upset with each other.

How do you become friends again? There needs to be forgiveness - and when this happens, the friendship can be made right again and THAT is called **reconciliation.**

Help one friend find the other

The **BIGGEST** and **BEST** and **MOST AMAZING example of reconciliation** in the whole wide world is in what Jesus did for us! Here's what happened:

1. God made a perfect world.
2. People sinned which separated them from God and made the world imperfect.
3. The sin had to be punished, so Jesus (the Son of God) came to earth and took the punishment for everyone!
4. People's sin is now forgiven, and when they believe in Jesus they are **RECONCILED** with God!
5. Those people will live forever with God in heaven - a new perfect world!

Draw a picture for each of the 5 "steps" above to help your remember the GOOD NEWS of God's RECONCILIATION with us!
